If any selling you have done before, put down 10 for the start of your score. If you have a car and are able to drive, the thing you must do is just add 5. If some extra money is what you would like, add 10 more which is just about right. A little spare time will add to your score, for this you may add 15 more. If you like people and think they are grand, add 6 more to see where you stand. Add 10 points if you think parties are fun, and when you add this you are almost done. If you score the highest, it is plain to see a Your Company sales person is what you should be. Add 10 to your score if you would like information on becoming a sales person.
